## Iris Price List Spring and Fall 1931

LIBRARY

RECEIVED

JUL 1 1931

U. S. Department of Agriculture

**VISITORS.** You are cordially invited to visit our Show Gardens at any time, Sundays included. No sales are made on Sundays. This year we will have 250 varieties of Iris in bloom and 100 of the better varieties of Peonies in bloom.

All plants are plainly labelled in Show Garden and complete list is handed you if asked for. The adjoining fields are worth seeing.

**LOCATION.** Show Gardens are located on Glendale Ave., just West of Detroit Ave. Toledo Auto visitors can drive South on Broadway to end of car line then West on Glendale to first Greenhouse, or South on Detroit to just past State Hospital, then West on Glendale to Greenhouse. By Street car go South on Broadway to end of line, then transfer to free bus to Glendale and Detroit, then walk West two city blocks.

**SHIPPING DATE.** From July 1st to Oct. 15th.

**POSTAGE and EXPRESS.** All postage and express will be prepaid in first 4 zones except **COLLECTIONS** which are F. O. B. Toledo. Fourth Zone includes New York City, Burlington, Vt., Springfield Mass., Wilmington, N. C., Atlanta, Ga., Birmingham, Ala., Columbus, Miss., Kansas City, Kans., Des Moines, Iowa, and Duluth, Minn. Further distances will be sent postage collect less the 4th zone rate.

C. O. D. Goods will be sent C. O. D. providing 25% of cost is advanced. No deviation from this rule.

**RATING.** Numbers preceding names are American Iris Society ratings. First number, Exhibition; second number, Garden rating. Some growers value ratings as follows: 95 almost perfect, 90 extra fine, 85 fine, 80 very good, 70 good, 60 fair, 50 poor. Where no rating is given the year of introduction is usually given and Iris has not been widely enough distributed to give it a rating.

**SECOND CHOICE.** Late in season it is very important that you make second choice if you do not wish to be disappointed. All orders are filled in turn and subject to prior sale.

**SUBSTITUTIONS.** We do not substitute except in collections unless requested to do so.

\*\*\*\*\* Where \* appears after name we have but a very limited quantity and will sell only one to a customer. Some of these \* varieties are listed lower than wholesale growers will sell them at in quantities and for this reason we will not sell all to one party. We wish to distribute them among as many customers as possible.

**COLLECTIONS.** Please order these by number only. Do not repeat the names of all the varieties. Do not ask us if we will change certain varieties in these collections. Each variety will be labelled in all collections except No. 1. It is only possible to give you these prices by having a large lot of each variety in equal quantities to dig and label at same time. Late in season we may run out of some varieties in collections if so we will substitute either a higher priced one or a higher rated one at same price. Please note the rating on LENT A. WILLIAMSON (88-88), and Mother of Pearl (84-84). Mother of Pearl was introduced at \$25.00 per root. You get these two varieties in every collection. They will not be substituted with others. You pay the postage on Collections when you receive them.

**NEIGHBORS.** Why not use them and get them to go in with you on these. Collections, No. 1 costs you 2c per rhizome and No. 2 and No. 3 cost 3c each. No. 2, 3, 4 and 5 will have each rhizome labelled.

**MINIMUM.** Your orders must total \$2.00

**COLLECTION NO. 1.** ONE HUNDRED rhizomes, mixed varieties, not labelled, with one each L. A. Williamson and Mother of Pearl, labelled, total for \$2.00 postage collect.
